Press Release

Stefano Pettinella will be adding as new Partner with Pet Food expertise to the Riebensahm Agribusiness Recruiting Team

Kippenheim / Bad Brueckenau, Germany 01.10.2021 - Riebensahm Agribusiness Recruiting, specialised in the recruitment of professionals and executives for agribusiness, is delighted to expand and boost the team with Stefano Pettinella as Partner and Senior Consultant.

Stefano Pettinella brings an almost 30 yearlong proven international leadership track record from both sides of the Atlantic and is a proven resident expert of the pet food industry. His most important professional milestones include 16 years in the USA as well as the UK, France and the Czech Republic. As new Partner and Senior Consultant, he will focus on finding the optimal matches for positions within the pet industry, which include pet food, treats & snacks, dietary supplements / nutraceuticals and also non-food accessories for pets.

Thanks to his long tenure in the industry, Mr. Pettinella will add a strong professional network at the national and international level. He will therefore continue driving forward Riebensahm Agribusiness Recruiting's recently kicked off internationalisation from the new corporate base of Bad Brueckenau right in Germany's geographic centre.

During Mr. Pettinella's introduction Dr. Riebensahm expressed his excitement and expectations: *"We are delighted to welcome Stefano Pettinella as a new Partner and new colleague with such a long and vast pet food industry experience. Stefano clearly brings not only deep industry expertise, but will add also an excellent network of decision-makers within the premier league of pet food manufacturers! This strategic step will contribute to establish Riebensahm Agribusiness Recruiting as the resident recruitment consultancy expert within the pet and production animal nutrition segments! "*

About Riebensahm Agribusiness Recruiting

For exceptional agribusiness and pet industry talent, you have to dig deep and offer the right tools.
